## PREPARING FOR YOUR FUTURE: 529 PLANS

**Hey Super Saver!** Start your exciting journey towards college or advanced education right now with a special savings plan called a **College Savings 529 Plan**.\*\* This plan lets your grown-ups put money aside for your big educational adventures.\*

From science to art, and everything in between, college is a place where dreams take flight. The best part? When your grown-ups save in a College Savings 529 Plan, the money grows like magic, so you'll have everything you need when the time comes.

**What if college or trade school or advanced education isn't quite your thing?** That is ok. Up to \$35,000 of the money your grown-ups save will be moved over to a Roth IRA account for you to use for the other non-educational adventures you experience along the way!
